

MODERN STAINLESS STEEL FINISHING TOUCH

Give your gas fireplace a truly modern finish with a stainless steel decorative face surround kit. Kits are easy to install and are designed to fit several Astria gas direct vent fireplaces. Decorative face surrounds eliminate the need for tile or other finishing options.

EXCLUSIVE FEATURES

- Beautiful stainless steel finish
- Conceals the gap between drywall and the fireplace
- Precision cut panels – no trimming required
- Easily installs with locally available Liquid Nails adhesive

Surround kits available for several fireplaces.
(See back for applicable models.)
